ANNEXURE -III MANAGEMENT DISCUSSION & ANALYSIS REPORT

BUSINESS OVERVIEW:

Your Company is a reputed and well known Udaipur based Company having its presence in construction services industry, since many years.

Your Company is committed to excellence in quality of its equipment and dedicated to customers and associates. We are committed to provide the best quality crushers, screens & customized size reduction equipment and satisfactory after sales services at competitive prices. We timely deliver out highly quality equipment to meet customer requirement. We provide professional advice to our customer, find innovative solutions to their specific requirements and treat them as our business partners, our professional approach, after sales service and timely supply of spare parts at most reasonable prices make us ideal choice as business partners.

OPPORTUNITIES:

The management believes that Government of India's efforts to improve economic growth in the Country by providing opportunities for start-ups and infrastructure development is giving hopes to entrepreneurs for exploring new opportunities. The Company is also looking to tap such opportunity at the right moment.

The 'Make in India' is another initiative of the present government that will have a far-reaching impact on the crushing industry. To reap the resulting benefits, industry leaders are currently drawing up strategies involving quick plant deliveries, easy scalability, and mobile crushing solutions that promise minimum relocation costs.

THREATS:

Any growing economy offers a host of opportunities. The challenge comes from the fact that competition also keeps increasing alongside and this is becoming all the more prominent with the continuous arrival of newer entrepreneurs in the market. While this is good for the larger population and the economy, it does put pressure on profitability of business. Not only newer entrepreneurs, technological advancement and the onset of on-line services have made it much easier to conduct businesses without too much need for supporting brick and mortar infrastructure. Not to mention that there is support from conducive government policies to anybody wanting to start a new business.

The rising cost of raw materials is a major hurdle facing the crushing and screening industry. Setting up a crushing unit involves high cost and unavailability of raw material on time only adds to the cost. Another challenge facing this industry involves strict government regulations. Ban on mining activities in the past had dealt a severe blow to the industry. Since environmental issues involving quarries in various states are yet to be entirely resolved, overall demand will continue to suffer.

SEGMENT REPORTINGS:

The Company is exclusively engaged in manufacturing of construction equipments and revenues are mainly derived from this activity. Accounting Standard 17 regarding Segment-wise Reporting issued by the Institute of Chartered Accountants of India and notified under the Companies (Accounting Standards) Rules, 2006 does not apply to your Company since revenues are derived from only one segment.

OUTLOOK:

This industrial sector is on the cusp of a recovery supported by an improvement in macroeconomic fundamentals and policy environment. The combination of strong sales, weak market conditions that support rapid business development and a strengthening commercial market provide us with a great opportunity to generate strong free cash flows and disproportionately scale our business in Financial Year 2021-22. Our performance for the year underlines the effectiveness of our resilient and differentiated business model that is anchored by the strength of the Mewar Hi-Tech Engineering Limited brand and the ability that gives us to attract partners and customers

across. Our presence in Udaipur is strong brand equity and large numbers of new projects are handled by us which leads us to a good position in market.

RISKS AND CONCERNS:

Your Company is exposed to internal and external risks. The internal risks relates to the risks within the Company due to change in management, personnel and policies, lapses / inadequacy in existing infrastructure facilities, delinquencies on the part of employees, staff attrition, misfeasance etc. The external risks can be associated to those factors which are not within the control of the Company like change in interest rates, government regulations, competition from others operating in similar business etc.

RISK MANAGEMENT:

Comprehensive risk management practices form an integral part of the operations of Company. With ups and downs, volatility and fluctuations in the business in which Company operates, is exposed to a slew of complex, variable risks and uncertainties in the normal course of business.

Since such variations can cause deviations in the results from operations and affect our financial state, the focus on risk management is high. The rapid and continuous changes in the business environment have ensured that the organization becomes increasingly risk focused to achieve its strategic objectives. Company policies ensure timely identification, management and mitigation of relevant risks, such as credit risk, liquidity risk, interest rate risk, operational risk, reputational and regulatory risks etc., which help the Company move forward with vigor.

INTERNAL CONTROL SYSTEMS & ADEQUACY:

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matters

- a. We draw attention, the world health organization in February 2020 declared Covid-19 as a pandemic. Covid-19 pandemic has rapidly spread throughout the world, including India. Governments in India including across the world have taken significant measures to curb the spread of the virus including imposing mandatory lockdown and restriction activities. Consequently company's manufacturing plant and office had to operate under restrictions for a certain period of time during the year. The pandemic has impacted the company operationally

including on commodity prices, supply chain, consumer demand, financial markets, personnel available for work and trust in market. Our opinion is not modified in respect of this matter.

- b. We draw attention about loss of the year, in our opinion without credible record of inventory, any professional judgment about fair view of financial statement cannot be most significant, although our opinion is agree with pandemic impact.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The following has been considered as Key Audit Matters:-

Key Matters	Auditor Observation
Transaction with related party (i.e. Mewar Technocast P Ltd.)	As a part of the business activity, the Company deals with entities which are related parties and significant revenue sources /expenses are from/to related parties also. The Arm's length pricing of the transactions with Related Parties, risks of material misstatement associated with related party relationships and transactions may have significant impact on the interest of the Company and true and fair presentation of related party relationships and transactions in the financial statements of the Company.
Loan from Deewan Housing Finance Corp. Ltd	Company has borrowed loan from Dewan Housing Financial Corporation Ltd. against hypothecation of house of Director Shri C.S. Rathore and Smt Reena Rathore. This loan has been considered under the head unsecured in the Balance Sheet. In our opinion, being a borrower said loan should be considered as secured.
Statutory Liability	It has been observed that, the company is irregular in depositing statutory dues viz ESI, PF, GST, TDS (I.T.). In our opinion persuasive steps are necessarily required to avoid the interest/late fee/penalty and prolonged litigation. Accordingly company must make a complete provision of interest and penalty in its Profits and Loss Account and reduce its Profit by the same amount before adjusting for tax.
Inventory /WIP	The maintained inventory record is neither adequate nor reliable for our audit. In our opinion stringent and persuasive action must be taken for proper maintenance of inventory record for the purpose of proper verification and safeguard of the Company. Auditor is perpetually stating comments year by year in this regard. Adequate record of inventory is an important aspect of this company because it represents large balance of assets. There is no record produced for our verification with regard to state of completion of work in progress, hence physical condition and existence of items of inventories was not feasible to determine. As such, it is impossible to certify that the recorded inventory are free from material error. Hence it is certified by the management only.
Stock Audit Report	Stock audit conducted by PSJ & Co. and reported to Union

	Bank of India on dated 10.03.2022 wherein stated stock as on 25.02.2022 was Rs. 2739.33 Lacs.
Entry Tax Liability (Under Raj. Vat Act)	Demand regarding entry tax for the financial year 2013-14 of Rs 42660/- vide order dtd 22.03.2016 financial year 2014-15 of Rs. 51490 vide order dated 04.11.2016 has been raised by the commercial taxes department under Rajasthan VAT (E T Tax) Act. The company did not make any provision for denoted liability in their books of account also not challenged.
Sundry Debtors	There are no confirmatory statement has been provided for our satisfaction regarding amount due. The company does not have any security to realize its dues. In our opinion persuasive action must be taken, so reliance can give to the stakeholders of financial statements.
Transaction through J.V. Company has settled account balance of one party with another party in the books of account.	There are no confirmatory statement produced for our verification with regard to transfer (settlement) made from one party to another through Journal Voucher, hence it is not certified by us.

Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report and the related annexures, but does not include the financial statements and our Auditors' Report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards referred specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using

the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditors' Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Mewar Hi-Tech Engineering Limited** (“the Company”) as of 31 March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. **[Subject to comments in Note-1 & 2 of Accounting Policy & Note on Account]**
